SPARK® TRIXX™

SPARK TRIXX 3UP

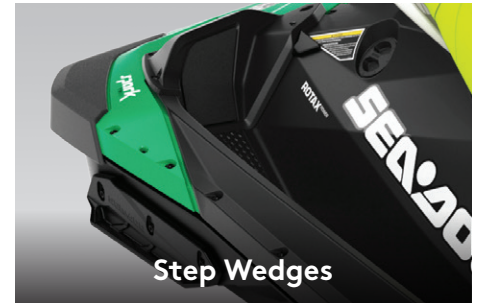

Feature Highlights

High-quality, waterproof 50-watt Bluetooth[†] portable sound system.

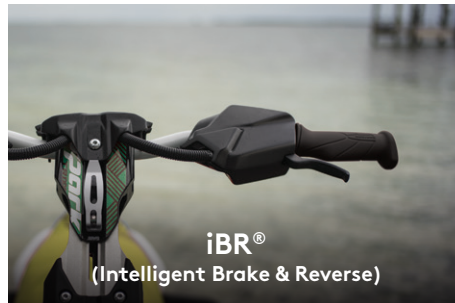

A telescopic steering system that optimizes the experience for varying rider sizes.

Provides enhanced stability and confidence in different riding positions making it easier to pull off tricks like a pro.

Offers double the range of the regular VTS™ for easier and more exaggerated tricks.

Exclusive to Sea-Doo®, iBR® stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.

Exclusive TRIXX™ coloration.
